(1) Events Photographer

- attend & photograph events periodically throughout the year
- about 1 afternoon/evening per month

(2) Activities Photographer

- most of our current activities have been photographed, we just need a few more images of newly added activities
- activities happen throughout the week (day and evening)

(3) Generations Moments Photo Series

- we would like photographs (like a portrait series) taken of our current generations members and the volunteers they are matched with
- the project will be completed over the series of several months; with a time commitment of 2+ hours per month

All photographers must have their own camera. Time commitment varies- if you have even a little bit of time and would like to be involved please do not hesitate to contact us.
